COMPETITION GUIDELINES AND REGULATIONS

- All design entries must be submitted electronically to watermascot@ric.org.tt
- Entries can be drawn with an image of the drawing sent or can be digitally created using computer graphics and should be submitted on a white background.
- Multiple submissions per person are allowed, but each design must be submitted individually as a single entry.
- The mascot should be a family-friendly character.
- All design entries must be accompanied by a 150 - 250-word description of the design, which will include an explanation of what inspired the design.

For more information please visit the RIC's website and social media pages.
